

REMARKS

Claims 2-8 are allowed in the present application. However, a drawing inconsistency was noted, in that FIG. 11d was not listed in the Brief Description of the Drawings.

The specification has been amended to include a brief description of FIG. 11d. In addition, the specification was amended to correct a typographical error, where the statement "FIG. 11a, 11b, 11c, and 11c, illustrates . . ." has been corrected to "FIG. 11a, 11b, 11c, and 11d, illustrates . . ." No new matter has been added.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Director to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing Docket No. 491442011623. However, the Director is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: April 9, 2008

Respectfully submitted,
